# FDDI Single-mode Plastic Plug(Threaded)

CAZN 正成

- Plastic Waterproof Connector-FDDI Optical Fiber Series

- The ergonomic structure is designed for the rigorous testing environment.

- Rich in structure, the products are widely used in LED screen, lighting, audio-visual equipment, medical equipment, detection and measurement equipment,

- communication industry, telecommunications equipment and other fields,Can meet a variety of customized requirements.

- PBT material housing , stable electrical performance , high strength pressure resistance , high temperature resistance , anti - explosion ,

- corrosion resistance and effectively respond to environment changes

Mechanical parameter

Shell material :	High performance engineering plastics/Metal+Plastic
Flame retardant grade :	UL94-V0
Termination :	Welding/Crimping/Quick plug connect
Waterproof level:	IP67 , IP68
Insertion loss :	≤0.2dB
Return Loss :	≥50dB
Applicable temperature :	-25℃ ~ +85℃
Baud rate :	≈200000000Mbit/s
